

# Rebuild PHILADELPHIA

Building stronger communities, **one park, recreation center and library at a time.**

## Information for Businesses Interested in Working on Rebuild

### What is Rebuild?

Rebuild will invest hundreds of millions of dollars to fix neighborhood parks, recreation centers and libraries across Philadelphia.

### Who will hire businesses & contractors for Rebuild projects?

Most projects will be managed by qualified nonprofit organizations. These organizations will hire all contractors, design firms, and other businesses for projects they manage.

Other projects will be managed by the City of Philadelphia or the Philadelphia Redevelopment Authority.

### What kind of contracts will be available?

There will be opportunities to work on projects of all sizes with Rebuild. Projects could cost anywhere from \$50,000 to more than \$13 million. Services needed will include:

- General construction
- Electrical
- HVAC
- Plumbing
- Roofing
- Carpentry
- Architects
- Landscape Architects
- Engineers
- Owner's Representatives and Other Consultants
- ...And more

### Does Rebuild have diversity goals for the businesses that work on projects?

Yes, every Rebuild project will have specific goals to ensure that women- and minority-owned businesses have opportunities to work on Rebuild projects. Visit [Rebuild.Phila.gov](http://Rebuild.Phila.gov) to learn more.

### Will Rebuild provide support for small businesses interested in working on Rebuild projects?

Yes, Rebuild will provide assistance with things like bonding, insurance, financial management and becoming certified as a minority- or woman-owned business.

## How to Work on Rebuild Projects

Here's how to  
get ready to  
access Rebuild  
contracts:

- 1** Get email updates about new contract opportunities by signing up for Rebuild's email list at [Rebuild.Phila.Gov](https://Rebuild.Phila.Gov) and selecting "Vendor Updates."
- 2** Share information about your business with the organizations that will be hiring vendors for projects through Rebuild's Call for Interest at [Rebuild.Phila.Gov](https://Rebuild.Phila.Gov).
- 3** Search for available contract opportunities at [Rebuild.Phila.Gov](https://Rebuild.Phila.Gov) through Rebuild's Contract Opportunity Portal.
- 4** Make sure you are up to date on your City taxes or in a payment plan. This is a requirement to work on Rebuild projects. Visit [Phila.Gov/Revenue](https://Phila.Gov/Revenue) to learn more.
- 5** Become certified if you are a minority or woman-owned business. Being certified will help Rebuild meet its diversity goals and could make you more competitive for contract opportunities. Visit [phila.mwdsbe.com](https://phila.mwdsbe.com) for information on how to become certified.
- 6** If you are in need of any type of business or financial assistance, go to [Business.phila.gov](https://Business.phila.gov). The Commerce Department has resources and programs that can help you.
